ISMAIL ABRAHEM

Full-Stack Developer | Web Developer | CMS | UI | UX

Stockholm, Sweden | ismail@abrahem.se | +46720380382 | https://www.linkedin.com/in/ismail-abrahem-60870b291/

PROFESSIONAL SUMMARY

Full-stack developer with 2+ years of experience specializing in C#, .NET, and modern web technologies. Built scalable applications including game server infrastructure with C++/LUA/PHP and production-ready web platforms using React, Next.js, and ASP.NET. Passionate about clean architecture, performance optimization, and creating intuitive user experiences.

EDUCATION

Web Developer .NET with CMS Specialization

Nackademin Yrkeshögskola, Stockholm, Sweden **Graduated: 2025**

.NET development program focused on building web applications, e-commerce systems, and CMS platforms. Learned Microsoft .NET, RESTful APIs, responsive design, and modern web development. Completed hands-on internship in professional development environments.
